

Workers' State of Helasia  
Republican Advisory Committee  
Special Decision #04 (SD04-A' A'2019)

Title: *Official Condemnation of the "Alliance Against Micronational Bullying", and measures of protection of the existence of the State.*

The Republican Advisory Committee decides and announces the following:

**PART A': THE SITUATION AND THE HELASIAN VIEW TO IT.**

Article 1: It is the Committee's belief that the so-called "*Alliance Against Micronational Bullying*" is an organization with the desire to undermine the sovereignty of many unrecognized states such as Helasia or other states allied to it.

Article 2: The effort of this "*alliance*" to undermine the **absolute right** of every state to determine its own external policy is a violation of the sovereignty of our State, and Helasia has to take measures to protect itself.

**PART B': DIPLOMATIC RELATIONS BETWEEN HELASIA AND THE "ALLIANCE"**

Article 3: Helasia does not recognize the independence nor the sovereignty of any member state of the "*Alliance against Micronational Bullying*", or any organization of such nature.

Article 4: Helasia can have diplomatic relations with states that have diplomatic relations with members of the "*Alliance*".

**PART C': PROTECTION OF THE STATE IN INTERNAL AFFAIRS**

Article 5: In all documents, including Newspapers, radio transmissions, web-broadcasts, official documents of the state and in the official speech, the states that participate in that "*Alliance*" are categorized as "pseudo-states" and their governments as "(imperialist) puppet governments and officials". If anyone tries to legalize the status quo of these states, then he commits treason against the state.

Article 6: The Prime Minister becomes *Higher Commander* of the DCPA

**PART D': TRADE MEASURES**

Article 7: Helasia will not accept currencies from states that participate in the "alliance".

Article 8: Helasia will not accept passports or any documents from member states of the "alliance".

**PART E': CHANGES IN THE DEVISIONS OF CONTROL OF POPULAR AFFAIRS**

Article 9: All the volunteer force shall be ready for any development, especially near the border with the former Khersoland region.

Article 10: The monthly budget of the DCPA gets increased by 3%.

Article 11: The InterNet force of the DCPA has to develop tools for the protection of the state.

**PART F': LAST DIPLOMATIC MEASURES**

Article 12: The Republican Advisory Committee proposes the creation of a pact between Helasia and the nations with common values. The main goal of this pact shall be the protection of sovereignty of socialist states.
